Indaqua Portugal: planting a garden
Shikun Ubinui Poland: renovate homes
Elbit San Antonio Volunteer: in a food bank
Gilat Thailand: play with children in need
BHI New York: cook for the homeless
• Gilat HR required each branch to offer an activity for Good Deeds Day
• 90% of the branches took part globally
• Employee participation was voluntary
• 50% of employees in headquarters took part

Drawing inspiration from the Good Deeds Day’s how-to’s and collaborating with the GDD team, Gilat’s employees led the project process. Every branch held brainstorm sessions to select a few activities that would suit the needs of local employees. When possible, branches partnered with a local non-profit to choose a fitting activity.

Gilat used Good Deeds Day’s marketing material to promote participation with their employees. Click here to download your own!

“Gilat Moldova visited an Orphanage for disabled men from Orhei...the boys were expecting us with hope and interest, as not many volunteers visit them often. Some of us decided to visit the asylum again. But a thing is true for sure – that was an unforgettable experience for everyone.”
– On behalf of the team, Cristina Bondarenco + Vera Hramco
Viva Energy Australia

- 68% of employees participated in Good Deeds Day 2016

Elbit Systems of America

- 8 branches took part
- Each branch collected food for local food banks
- Made doing good fun through a Drive Box Decorating Contest where individuals and teams competed for prizes

“This had an extremely positive experience on our business... It really created a fun environment to see our employees collaborate...in the spirit of giving back to our community. Other employees involved their families in creating unique boxes...We loved that our project could positively impact children to show them how fun and rewarding it can be to give items to the less fortunate.” – Teresa Williams, Elbit Systems

TIP!
