# ASIA-PACIFIC

~200 organizations | 150,000+ people engaged

Some of the activities that took place in 2019:

**BOOKS for LOVE:** Hong Kong residents donated books for charity sales, to pass on the joy of reading and being environmentally friendly, ongoing since 2009!

**CLEANING THE STREETS:** Volunteers from Cambodia cleaned the rubbish out of their streets, which was causing unhealthy air and smell. They showed the real effect from human activities and encouraged to change the way we treat the environment.

**LEPROSY ERADICATION AND REHABILITATION CAMPAIGN:** India's Madurai Health And Leprosy Relief Centre a voluntary campaign of health promotion and preventive services about leprosy each year: awareness classes, case detection, treatment and rehabilitation services among the rural population.
